# BIOACT™ SD

## Stubble Digester

### Product Information

#### About BIOACT™ SD

**BIOACT™ SD** is a stubble digester product formulated to accelerate the degrading process of field stubble and crop residue. **BIOACT™ SD** contains Humic acid, over a billion aerobic and anaerobic bacteria, and fungi. The active microorganisms are able to produce enzymes that speed the decomposition of difficult materials such as crop stubble and crop residue in the field. The combined actions of both enzyme complexes and microorganisms provide **BIOACT™ SD** with strong decomposition ability.

#### Guaranteed Analysis

<i>Bacillus subtilis</i>	2 x 10 <sup>9</sup> CFU/gram
<i>Pseudomonas putida</i>	1 x 10 <sup>8</sup> CFU/gram
<i>Trichoderma spp.</i>	2 x 10 <sup>8</sup> CFU/gram

3.0% Humic Acids (Derived from Leonardite)

### Directions and General Recommendations

#### Directions and General Recommendations

**BIOACT™ SD** requirements are generally dictated by crop and field conditions. Usage will vary with substrate composition, pH, moisture, and temperature. In general, increasing the dosage will increase the rate of residue decomposition. The recommended dosage is 1 - 2kg / ha of **BIOACT™ SD**. Mix **BIOACT™ SD** with enough water and apply to the crop residues. Disk in the crop residues after the application for better results.

Use higher rate on tougher tissue.

For composting use 50 - 150grams / m<sup>2</sup> depending on the organic matter nature used for composting.

#### Storage

Store **BIOACT™ SD** in cool dry places. Avoid direct sunlight and heat.

**Precautionary statement:** Do not swallow. Avoid contact with eyes.

**First Aid:** If swallowed: Seek medical attention. Rinse mouth. If in eyes: Remove contact lenses if present. Wash thoroughly with water for several minutes.

#### Limited Warranty

Manufacturer or reseller makes no warranty, whether expressed or implied, concerning the use of this product other than for the purposes indicated on the label. Neither manufacturer nor reseller shall be liable for any injury or damage caused by this product due to misuse, mishandling or any application not specifically described on the label.
